

# Myreward

## Your benefits, Your Choice

At Avison Young we believe that you should be able to tailor your benefits to suit your needs and lifestyle. Our benefits portal, myreward, lets you do just that – all in one easily accessible place.

### **With MyReward you're able:**

- Access your payslips
- Manage your pension contributions
- View and make changes to your contractual and voluntary benefits during your new joiner window, the annual enrolment window in November or a qualifying Life Event
- Find out more about each benefit, the providers and how the policies/services work
- View your personal details and amend your dependants' information.

### **myreward new joiner window:**

Over the coming days you will receive an automated email from myreward prompting you to log-on and confirm your benefit selections for the remainder of the year. You will only have 4 weeks from your start date to complete this.
